

Indian Institute of Technology Patna
Department of Humanities and Social Sciences

HS331 (Sociology of Development)
End-semester Examination, April 2017

Duration: 3 hours

Total Marks: 40

Section A- Answer any **four** questions (7 marks each, 28 marks)

- 1) Sustainable development is very important and multidimensional. Discuss.
- 2) Development is different and, yet, related to change, growth, modernization, and globalization. Explain with examples. Why is good governance important for development?
- 3) Why is the injustice frame important in a social movement? What are the important stages of any social movement? Explain these using examples from any social movements of international repute.
- 4) Issue of land is central but problematic for any development in India. Discuss the pertinent issues of land record, land rights, and land rates.
- 5) *For centuries the untouchables in India were confined to segregated areas and prevented from coming into physical contact with upper caste people. How does this highlight humiliation? Draw examples from the documentary "Indian Untouched" to explain the contemporary situation.*
- 6) Technology is an important component of development. What technological innovative intervention can you make to solve an important developmental need of contemporary India? Discuss with examples from your semester's public engineering project.

Section B- Discuss any **three** with examples (4 marks each, 12 marks)

- 1) Migration and Health
- 2) Corruption Entrepreneurs
- 3) Development of Underdevelopment
- 4) Right to Education
- 5) Action Research
